

Manufacture of

AIR, WATER & GAS

Analysis

Manufacturer, Service Provider & Supplier of Gas Detection System

PRODUCT FLYER

GAS MONITORS

Portable

Wireless Fixed

TRANSMITTER & FIXED GAS MONITOR

RECEIVER CONTROLLERS

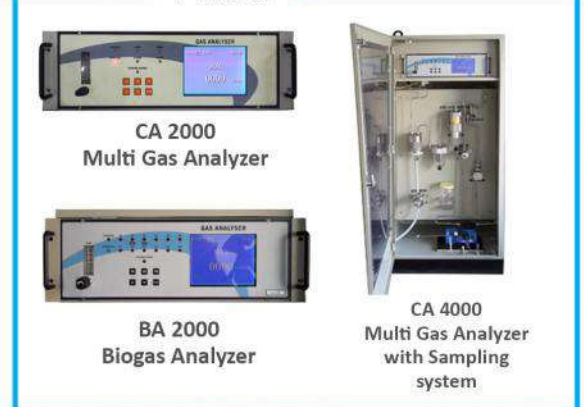

GAS ANALYZERS

Portable

Fixed

MOISTURE & DEW POINT ANALYZERS

Portable

MM II
Moisture Meter

AMM 60
Dew Point Meter

2000 DDD
Dew Point Analyzer

TM 100
Absolute Moisture Analyzer

Fixed

DPCI 60
Dew Point /
Moisture
Analyzer

4000 PDD
Dew Point Analyzer

TM 2000
Absolute Moisture
Analyzer

DPXT 98
Field Mounted Transmitter

DPTX 60
Dew Point
Transmitter

PARTICULATE & DUST CEMS

Dustguard Particulate Monitor

Broken Filter Bag Detector

DSL - 460
Particulate Monitor (Double Pass)
with Auto Calibration

DSL - 240/230
Particulate Monitor (Single Pass)

DSL - 340/330
Particulate Monitor (Double Pass)

AMBIENT AIR QUALITY MONITORING SYSTEM

Portable

PAQM
Airborne Particulate
Monitor

IAQM
Indoor Air
Quality Monitor

MX-51
Air Quality
Monitor

PS 030
Personal
Air Sampler

AQ - 150
Air Quality Station

Fixed

AQ - 200
Air Quality
Station

ULTRASONIC LEAK DETECTORS

Ultrasonic Air / Gas Leak Detector

USL 10

USL 100

USG 10

USL 200

FLAME DETECTORS

TL 205
UV / IR Test Lamp

UV 730/740
Flame Detector

UV - FR
UV Detector
for Burner Control

IR 730/740
Flame Detector

UV-IR 730/740
Flame Detector

DATA ACQUISITION SYSTEM

ENDEE Engineers Pvt. Ltd.

A company dedicated to customized gas detectors, gas analyzers and the transmitter.

The Main categories of the operations are:

- Gas Monitors: Portable and Fixed
- Transmitters & Receivers: Wired / Wireless
- Receiver Controllers
- Gas Analyzers: Portable and Fixed
- Moisture and Dew point Analyzers: Portable and Fixed
- Continuous Emission Monitoring Systems (CEMS)
- Ambient Air Quality Monitors
- Ultrasonic Leak Detectors
- Data Acquisition Software
- Flame Detectors

Technical Services and Support

At ENDEE we put our customers first. We believe in delivering end-to-end customer service and support, which means every customer gets the help they need, when they need it.

Our full range of service and support options includes:

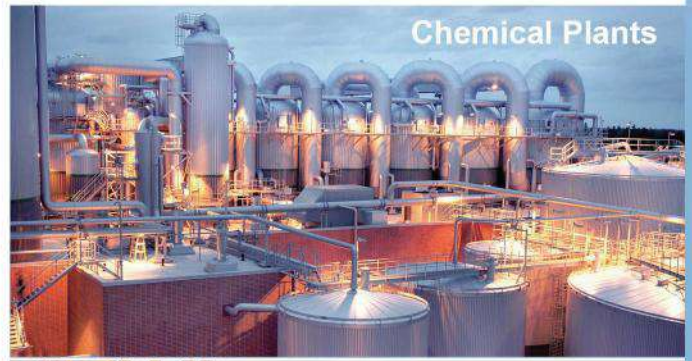

- Commissioning
- Ongoing care of your equipment
- Rapid response and support when you need it
- Training

When you work with ENDEE, you also get our in-house expertise:

- Certifications and Standards team
- Applications specialists experienced in your industry, applications and processes
- Quality assurance teams
- Centralised customer support
- Local customer support
- Product management teams
- R&D engineering teams
- Expert trainers
